

1. Open Web Browser

Use Chrome, Firefox, or Safari from Desktop or Laptop.

2. Geartest

Click here to test your system.

3. Learn

Click here to watch a brief tutorial on Remo basic.

4. Log in

Join the event by logging in/creating a Remo account using the email address you registered with.

5. Profile

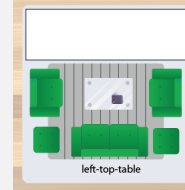

Click the circle with your first initial (upper right corner) to update your photo, name and professional information.

6. Navigate

Left click & hold your mouse on floorplan to drag and see everything. Use your mouse wheel to zoom in and out too.

7. Network

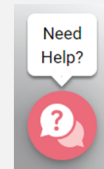

Hover your mouse over a table with an open seat (green square) and double click to move there. Or to move between halls, click the "Enter Hall {name}" banner at top right or left of Hall floor plan.

8. Talk

Click the icons to turn your mic and webcam on and talk to the people at your table. Use the chat feature to text message your tablemates, all attendees, or individuals.

9. Need help?

Click the Need Help?/pink bubble icon in the bottom left of your screen, or stop by the PLT Canada table in the Main hall.

10. Have fun

Virtually "walk" the Career Fair floor and check out all the Green Job employers. Network with the employer representatives and other attendees.
