WHY BE A MENTOR?

- Grow your own career by building leadership and coaching skills.
- Support the next generation of leaders.
- Recruit potential employees with access to new talent.
- Share knowledge and nurture a young person's career growth.
- Gain new perspectives and get reinvigorated.

GREEN MENTOR EXPECTATIONS

It is a short-term commitment that involves meeting with your mentee for 2–3 hours a month. You will:

- Learn mentorship best practices with PLT Canada online webinars and training modules.
- Complete feedback surveys and attend mentorship roundtables.
- Support your mentee as they complete the Green Pathway Plan online course.
- Act as a caring and positive role model for your mentee.

"I think the best part of the Green Mentor program was the unexpected learnings. You know you'll learn how to be a better mentor, but I also gained new perspectives and learned how to approach projects differently."
