

NAME _____ DATE _____

Service-Learning Project Plan

Use the following guidelines to help you compile your service-learning project report.

1. Group members:

2. Problem to be addressed:

3. Project location:

4. Objectives of project (related to climate change/forests):

5. Strategies for investigating the problem more deeply:

6. Responsibilities of group members:

NAME _____ DATE _____

7. Resource people / places / organisations / publications that could help your group:

8. Preliminary ideas regarding possible actions to be taken (pending results of investigation):

9. Resources needed (equipment, transportation, materials, etc.):

10. Ideas for fundraising, if needed:

Career Corner

COMMUNITY ENGAGEMENT MANAGERS

build relationships with groups of people to identify and address issues affecting their well-being. The work often involves partnerships that help mobilise resources and drive changes in policies, programs, and practices.
